10 MIDDLE/SENIOR DEVELOPERS FOR A B2B IGAMING SOFTWARE PROVIDER

Company name: EveryMatrix

Industry: B2B iGaming Software
Provider

Location: Sliema, Malta

Company size: 900+ people

ABOUT EVERYMATRIX:

EveryMatrix is a leading B2B provider delivering iGaming software, solutions, and affiliate/agent management to Tier-1 operators and newer brands.

CLIENT'S REQUEST

Client's company engaged us to provide recruitment support and sourcing only for 3 positions — Senior Database Administrator, Java Developer Team Lead, and Senior Java Developer.

OUR APPROACH

The main challenge in the case of EveryMatrix is to find relevant candidates with fluent English for Senior/Middle positions for B2B providers delivering iGaming software.

And with the exceptional skills of recruiters to negotiate EveryMatrix has hired ten great professionals with our assistance: **Senior .Net Developer, Lead Node.js, Strong Java Game Mathematician, Senior Java Developer, etc.**

RECRUITER'S COMMENT

Romana Markiv

Recruitment Consultant at StaffingPartner

“ *EveryMatrix is a company where we worked as efficiently as possible and closed all the vacancies transferred to us. Thanks to our recruiters' dedication and EveryMatrix's effective communication, we exceeded the client's expectations.* ”

CLIENT'S COMMENT

Solomiya Venger

HR Business Partner, EveryMatrix

“ *StaffingPartner helped us to identify and attract top talent for our organization, enabling us to build a stronger and more capable team. Thanks to StaffingPartner's exceptional recruitment process, we initially requested 3 candidates but were so impressed that we increased it to 10!.* ”

THE OUTCOME

EveryMatrix successfully hired 10 specialists with the StaffingPartner team. With professionalism in negotiation skills and experience, it was easy for recruiters to be effective in IT consulting, sourcing, and hiring the relevant IT candidates.
