SP **Staffing** Partner

13 VACANCIES CLOSED FOR AMERICAN PRODUCT COMPANY IN CZECH

Company name: Paylocity

Industry: Software Development

Location: Schaumburg, IL., USA

Company size: 5,000 people

ABOUT PAYLOCITY:

Paylocity is a cutting-edge all-in-one software development organization specializing in growing HCM Solutions. Company founded in 1997 in Illinois state, USA.

CLIENT'S REQUEST

The client decided to open an office in Czech, so they had to hire **the whole team** from scratch. Apart from hiring people themselves, they also turned to two agencies, and SP was one of them.

Global Recruitment Team Lead

OUR APPROACH

StaffingPartner Recruitment had prior experience in the Czech Republic, despite being new to the client. StaffingPartner's guidance led to a strong development team in the Czech Republic for the client.

Paylocity has hired a team of 13 professionals: **Senior Android Developer, Senior iOS Developer, Senior Back-end (.NET +clouds) Engineer, Senior Fullstack (.NET+React\Angular), etc.**

RECRUITER'S COMMENT:

" *The client is pleased with their partnership with the Staffing Partners team. The project management was described as seamless, and both parties worked very well together.*

The recruiter's communication and the quality of the proposed talent team pleasantly surprised the client. He preferred subsequent cooperation with StaffingPartner.

CLIENT'S COMMENT:

" *Speed, quality, price, and reputation. StaffingPartner delivered on their commitments in assisting us in staffing our new CZ Team.*

They excelled in candidate screening, hiring manager interviews, candidate management, offer onboarding, and more.

THE OUTCOME

StaffingPartner successfully staffed a new talent team of 13 members in the Czech Republic, achieving project goals through a seamless partnership and demonstrating progress and success in the recruitment process.
